## Recipe:

### Apple Fritters.

Dessert apples, cored and cut in 1/2" thick rings.

#### **Batter**

4oz flour

1 dessertspoon olive oil

Pinch salt

4 floz tepid water

2 egg whites.

Sieve flour and salt in bowl, make a well and add the oil, pour in the water adding to flour gradually. Keep batter stiff, as the egg whites will thin it down. Leave in cool place for 1 hour. When batter is ready for use, whisk the egg whites until stiff and fold into batter. Dip each apple ring into batter and fry in deep hot fat.
