

Pantry Patter

SEPTEMBER 2005

Our first anniversary party was a huge success. Congratulations to our door prize winners: Stephani Arnett, Candice Brown, Sheri Lee St Louis and Elaine Kyles.

Sept: Tea, Coffees, Cocoa and Chocolate drinks **10% off.**

Sept 11: Grandparents day. Send Grandma some English sweets, biscuits and tea, she will love you forever.

Trivia: AD 43. It took the Romans 40 years to conquer this Island. They named it Britannica.

A few items the Romans brought to our culture were pounds and ounces, cats, vegetables- like peas and cabbage.

Agriculture was so improved under Roman rule that by the 3rd century AD corn was the chief export.

When Rome recalled its legions in AD 410- ending its occupation of Britain, it lapsed from a civilized state to one near barbarian.
